Surveys of changes since the publication of this plan may be available. Enquiries should be addressed to the Director General or to the local Ordnance Survey office.

HEIGHTS are given in METRES above the Newlyn Datum. Bench mark lists, which may contain later levelling information and particulars of bench marks to which no relation has been shown, are obtainable from the Director General, Ordnance Survey. The representation of a road, track or path is evidence of the existence of a right of way. The alignment of tunnels where shown is approximate.
