1:1250 scale (photographically reduced)

(a) Surveyed.

(b) Reconstituted from former County Series plans and revised.

HEIGHTS are given in METRES above the Newlyn Datum. Bench Mark Lists which may contain later levelling information, also particulars of Bench Marks to which no values have been shown, are obtainable from the Director General, Ordnance Survey. The representation on this plan of a road, track or path is evidence of the existence of a right of way. The alignment of tunnels where shown is approximate.
