

Made and published by the Director General of the Ordnance Survey, Southampton.

Made and published by the Director General of the Ordnance Survey, Southampton.

Compilation Data: Levell'd. 1958.59, Boundaries. Jul 1972

COMPILED DATA

1:2500 scale, 1:1250 scale (photographically reduced)

(a) Surveyed, (b) Reconstructed from former County Series plans and revised, (c) Revised.

Surveys of changes since the publication of this plan may be available. Enquiries should be addressed to the Director General or to the local Ordnance Survey office.

Bench mark lists which may contain later levelling information, also particulars of bench marks to which no values have been shown, are obtainable from the Director General, Ordnance Survey.

The representation on this plan of a road, track or path is evidence of the existence of a right of way.

The alignment of sunnels where shown is approximate.
