- notional spending

We provide a quick guide here about what is different when you are contesting parish or community level elections.

Who this form is for:

Candidates standing for election in parish and community level elections whether the elections are contested or not.

The spending return

It is your responsibility to keep your spending within your spending limit during the regulated period.

You can appoint an agent to help you with your campaign, but you will still be responsible for managing your own election spending.

You must complete both the return and a candidate declaration and submit them to your returning officer within **28 calendar days** after the day of the election.

You will find guidance on our:

- [Guidance page for parish and community council elections](#)

You must keep a record all of your candidate spending and you must keep invoices or receipts for all payments of £10 or more. You must submit these invoices and receipts with your return.

After the election

Invoices

You must get all invoices from suppliers within **14 calendar days** of the election result.

If you do not receive an invoice within the time limit, you will need to get a court order before you can pay it. You should make your suppliers aware of this.

You must complete and submit this form and the declaration to the returning officer within **28 calendar days** of the election result.
