IMPORTANT - THIS COMMUNICATION AFFECTS YOUR PROPERTY

**TOWN AND COUNTRY PLANNING ACT 1990
(as amended by the Planning and Compensation Act 1991)**

ENFORCEMENT NOTICE

ISSUED BY: North Wiltshire District Council

1. **THIS NOTICE** is issued by the Council because it appears to them that there has been a breach of planning control, within paragraph (a) of section 171A(1) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

2. **THE LAND TO WHICH THE NOTICE RELATES**

Land to the north of Manor Farm, Grittenham, Chippenham, Wiltshire, SN15 4JN shown hatched on the attached plan ("the site").

3. **THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL**

Without planning permission, the carrying out of building and engineering operations comprising the provision of a hardstanding area in the position shown cross hatched on the attached plan.

4. **REASONS FOR ISSUING THIS NOTICE**

- a) It appears to the Council that the above breach of planning control has occurred within the last four years.
- b) The development is detrimental to the rural character of the area by reason of its size and scale. It is visually intrusive in the countryside and its use causes disturbance to local amenity contrary to the provisions of policy RC9 of the North Wiltshire Local Plan and policies C3 and NE15 of the North Wiltshire Local Plan 2011 revised deposit draft.
- c) Should the Council take no enforcement action seeking the removal of this hardstanding area which appears to have been constructed for use in connection with an unauthorised use of the site, it would become immune from such action and lawful. The continued existence of this large area of

hardsurfacing would be detrimental to the rural visual character of the area and would also be likely to lead to its use in a way which would further erode the character of the countryside and generate traffic to the site, contrary to the interests of sustainability.

5. WHAT YOU ARE REQUIRED TO DO

- a) Remove all hardsurfacing, gravel, hardcore and other such materials from the site to a depth of at least one metre, or to the total depth of the hardsurfacing material if less than one metre, over the whole of the site.
- b) Remove all materials and debris resulting from the requirements of paragraph 5a) of this notice from the site.
- c) Restore the land level with the natural contours of the adjoining land by the importation, as may be necessary, of soil to replace the hardsurfacing materials that have been removed as a requirement to comply with paragraph 5a) of this notice.
- d) Finish the whole of the site with topsoil to a depth of at least 150mm to achieve the natural contoured finish of paragraph 5c) of this notice such as to allow for agricultural use of the site.

6. TIME FOR COMPLIANCE

Four months from the time this Notice takes effect.

7. WHEN THIS NOTICE TAKES EFFECT

This notice takes effect on 2nd September 2005 unless an appeal is made against it beforehand.

Dated : 22nd July 2005

Signed :

on behalf of North Wiltshire District Council
