Then, you or your agent should complete the enclosed appeal form and send it, together with the extra copy of the Enforcement Notice enclosed herewith and the fee specified in the box below, to the address on the appeal form. Your appeal must be received by the Department of the Environment BEFORE the Notice takes effect.

ANNEX - (This does not form part of the Enforcement Notice)

REASONS FOR ISSUE:-

1. The development introduces a use of commercial nature into an area where it is the policy of the local planning authority that existing uses should remain for the most part undisturbed and only development essential to agricultural need should normally be permitted.
2. The development conflicts with the provisions of the Cricklade and Purton District Plan.
3. The development, by reason of activities together with associated traffic movements to and from the site is seriously detrimental to the amenities and environment of nearby residential properties.
4. The development has a detrimental effect on the pleasant character and appearance of this area of Lydiard Millicent and visual amenity in general. If permitted the development would set a precedent for further similar incursions into the countryside to the increasing detriment of the village and the surrounding rural area.
