ANNEX (This does not form part of the enforcement notice)

Reasons for issue:

1. The development forms a commercial/industrial activity in an area where it is accepted planning policy to generally restrict new development only to that essential to the needs of agriculture or forestry.
2. The site lies in open countryside and the unauthorised development constitutes a visual intrusion detrimentally affecting the pleasant rural amenities of the area.
3. The development involves large slow moving vehicles entering and leaving a fast stretch of the B4042 and using an access with restricted visibility to the detriment of the safety of traffic on this Class II road.
4. The establishment of the activity (in effect a haulage yard) at the site creates a precedent for further similar proposals spreading along the Class II road contrary to the interests of the safety of road users.
