TOWN AND COUNTRY PLANNING ACT 1990
ENFORCEMENT NOTICE

Land at 29 Brockleaze, Neston, Corsham, Wiltshire

WHEREAS :

- (1) It appears to the North Wiltshire District Council ("the Council") being the local planning authority for the purposes of Section 172 of the Town and Country Planning Act 1990 ("the Act") in this matter, that there has been a breach of planning control after the end of 1963 on the land or premises ("the land") described in Schedule 1 below.
- (2) The breach of planning control which appears to have taken place consists in the carrying out of development by the making of the material change in the use of the land described in Schedule 2 below, without the grant of planning permission required for that development.
- (3) The Council consider it expedient, having regard to the provisions of the development plan and to all other material considerations, to issue this enforcement notice, in exercise of their powers contained in the said Section 172, for the reasons set out below.

NOTICE IS HEREBY GIVEN that the Council require that the steps specified in Schedule 3 below be taken in order to remedy the breach within the period of EIGHTEEN MONTHS from the date on which this Notice takes effect.

THIS NOTICE SHALL TAKE EFFECT, subject to the provisions of Section 175(4) of the Act, on 15th June 1992

/ SCHEDULE 1

(over)

SCHEDULE 1 - LAND OR PREMISES TO WHICH THIS NOTICE RELATES

Land at 29 Brockleaze, Neston, Corsham, Wiltshire shown stippled on the attached plan

SCHEDULE 2 - ALLEGED BREACH OF PLANNING CONTROL

The making of a material change in the use of land to use for :-

- (i) the sorting, reclamation, processing and distribution of scrap plastic; and
- (ii) the associated storage of scrap plastic and other materials including waste materials.

SCHEDULE 3 - STEPS REQUIRED TO BE TAKEN

1. To cease the use of the land for the sorting, reclamation, processing and distribution of scrap plastic and for the associated storage of scrap plastic and other materials including waste materials.
2. To remove from the land all materials used or stored in connection with the uses described in Schedule 2 paragraphs (i) and (ii) above, including all raw and scrap materials, scrap and processed plastic, boxes, crates, sacks pallets, waste and refuse.

STATEMENT OF REASONS WHY THE LOCAL PLANNING AUTHORITY CONSIDER IT EXPEDIENT TO ISSUE THIS NOTICE

It appears to the Council that the above breach of planning control, namely the making of a material change of use of the land from its lawful use for a purpose within Class B1 Business of the Town and Country Planning (Use Classes) Order 1987 to a Sui generis use as alleged in Schedule 2(i) and (ii) above has occurred since the end of 1963.

The Sui generis uses as referred to in Schedule 2(i) and (ii) above, by reason of their location in open countryside and partly on orchard and garden land adjacent to and near to existing dwellings and public highways are detrimental to the character and appearance of the countryside and the residential amenity of near neighbours who are adversely affected by smells, litter, traffic noise, general disturbance and visual appearance.

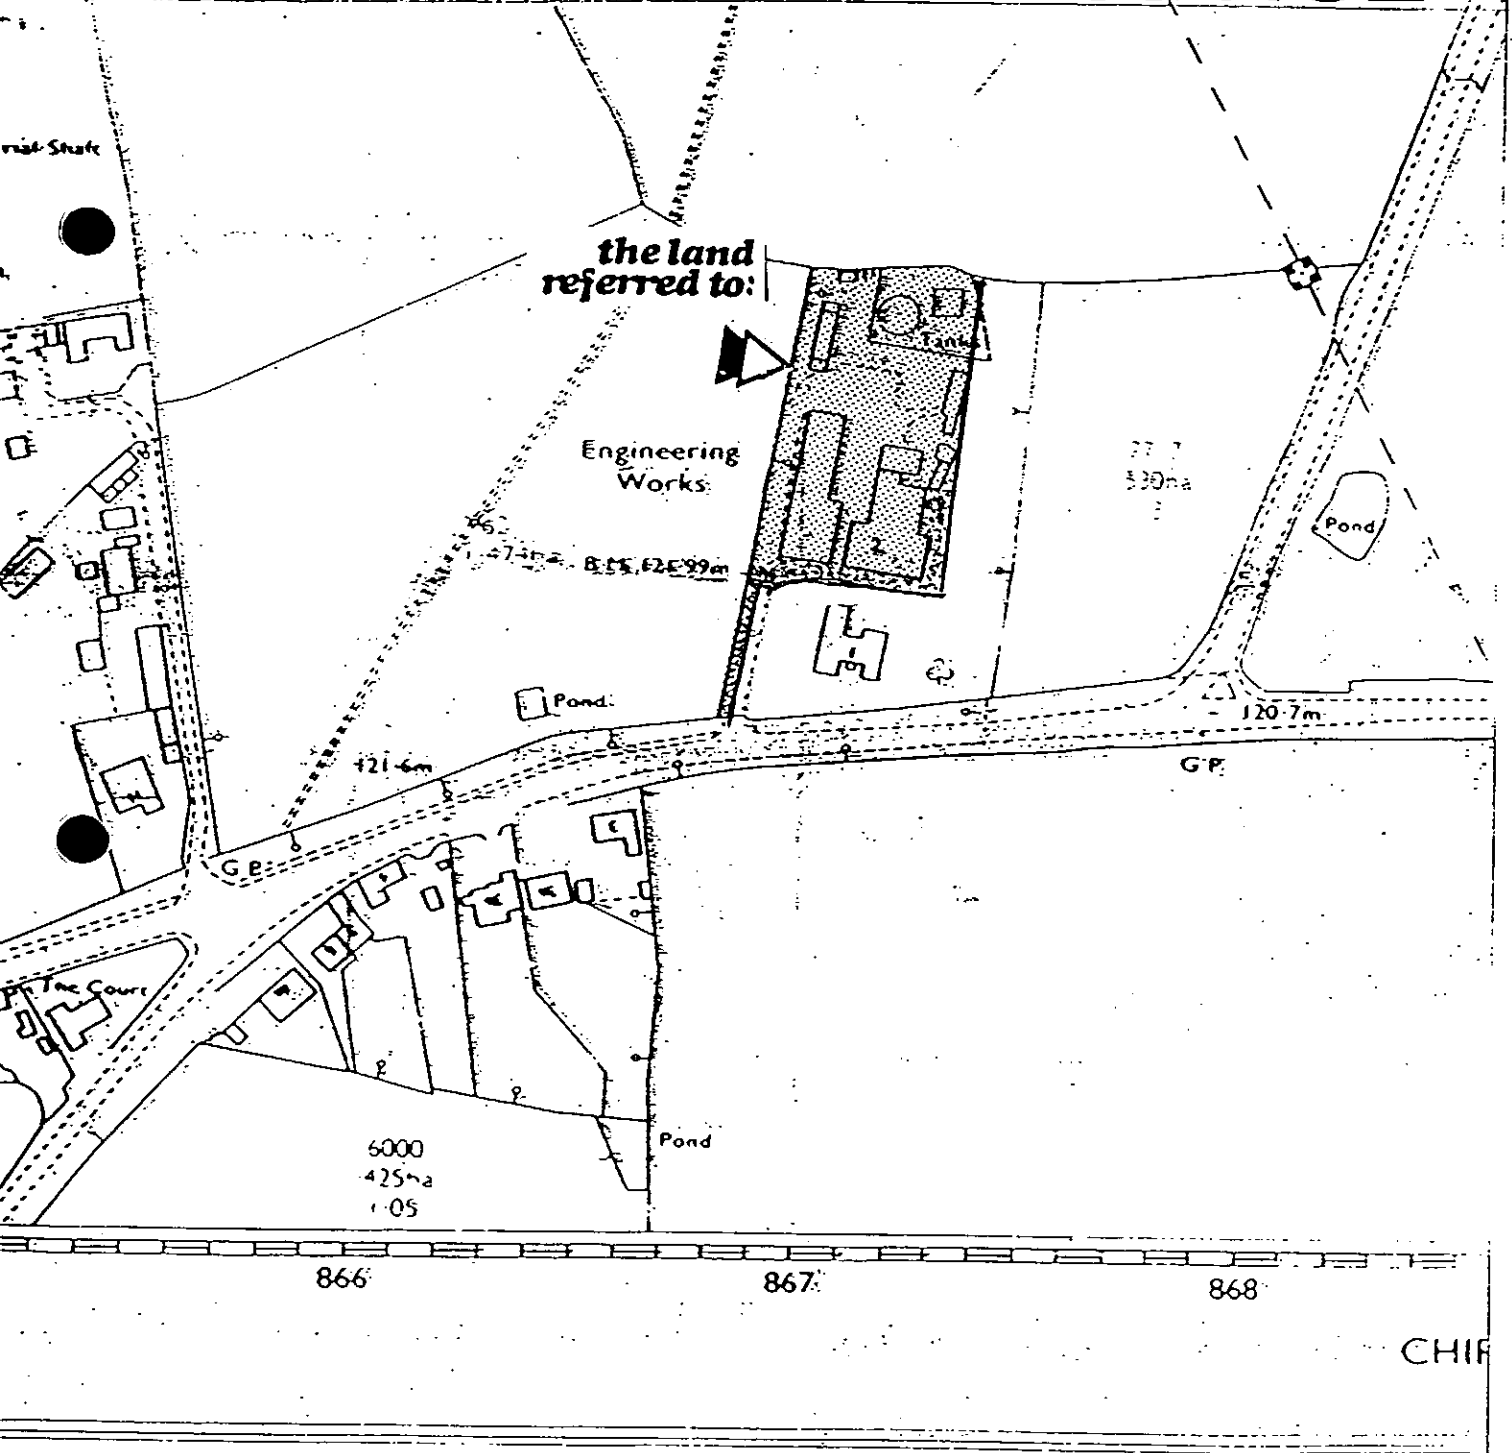

The development is contrary to the employment and rural planning strategy for the area which seeks to direct employment uses to allocated sites, existing employment areas or to sites within the "framework" of existing settlements and to protect the countryside for its own sake. The development is therefore contrary to Policy E12, E13, E14, E16, C3 and C9 of the Western Wiltshire Structure Plan (incorporating Alteration Number One policies E5 and C1 of the Corsham Local Plan and Policies E12, E13, E4 and C7 of the Deposited North Wiltshire Local Plan 1990.

The Council does not consider that planning permission would be granted because planning conditions could not overcome these problems.

NORTH WILTSHIRE DISTRICT COUNCIL
TOWN AND COUNTRY PLANNING ACT 1990
ENFORCEMENT NOTICE

Land at 29 Brockleaze, Neston, Corsham, Wiltshire

WHEREAS :

- (1) It appears to the North Wiltshire District Council ("the Council") being the local planning authority for the purposes of Section 172 of the Town and Country Planning Act 1990 ("the Act") in this matter, that there has been a breach of planning control after the end of 1963 on the land or premises ("the land") described in Schedule 1 below.
- (2) The breach of planning control which appears to have taken place consists in the carrying out of development by the making of the material change in the use of the land described in Schedule 2 below, without the grant of planning permission required for that development.
- (3) The Council consider it expedient, having regard to the provisions of the development plan and to all other material considerations, to issue this enforcement notice, in exercise of their powers contained in the said Section 172, for the reasons set out below.

NOTICE IS HEREBY GIVEN that the Council require that the steps specified in Schedule 3 below be taken in order to remedy the breach within the period of EIGHTEEN MONTHS from the date on which this Notice takes effect.

THIS NOTICE SHALL TAKE EFFECT, subject to the provisions of Section 175(4) of the Act, on 15th June 1992

ISSUED 7th May 1992

Signed

G.C. Bettbridge
DISTRICT SECRETARY

/ SCHEDULE 1

(over)

SCHEDULE 1 - LAND OR PREMISES TO WHICH THIS NOTICE RELATES

Land at 29 Brockleaze, Neston, Corsham, Wiltshire shown stippled on the attached plan

SCHEDULE 2 - ALLEGED BREACH OF PLANNING CONTROL

The making of a material change in the use of land to:

- (i) use in connection with the sorting, reclamation, processing and distribution of scrap plastic; and
- (ii) Use for the associated storage of scrap plastic and other materials including waste materials

SCHEDULE 3 - STEPS REQUIRED TO BE TAKEN

1. To cease the use of the land in connection with the sorting, reclamation processing and distribution of scrap plastic and for the associated storage of scrap plastic and other materials including waste materials.
2. To remove from the land all materials used or stored in connection with the uses described in Schedule 2 paragraphs (i) and (ii) above, including all raw and scrap materials, scrap and processed plastic, boxes, crates, sacks, pallets, waste and refuse.
3. To plant a mixed indigenous hedge with species from the following list in two staggered rows between points X and Y on the attached plan as indicated:
Hawthorn, hazel, field maple, blackthorn, dogwood, guelder rose, dog rose, field rose, beech, hornbeam, cherry plum, holly, wild privet, yew and box
4. To grass seed the rest and restore the land to a condition suitable for the purposes of agriculture, including the planting of orchard trees.

STATEMENT OF REASONS WHY THE LOCAL PLANNING AUTHORITY CONSIDER IT EXPEDIENT TO ISSUE THIS NOTICE

It appears to the Council that the above breach of planning control, namely the making of a material change of use of the land from its lawful use for orchard/garden land into a Sui generis use as alleged in Schedule (i) and (ii) above has occurred since the end of 1963.

The Sui generis uses as referred to in Schedule 2(i) and (ii) above, by reason of their location in open countryside and partly on orchard and garden land adjacent to and near to existing dwellings and public highways are detrimental to the character and appearance of the countryside and the residential amenity of near neighbours who are adversely affected by smells, litter, traffic noise, general disturbance and visual appearance.

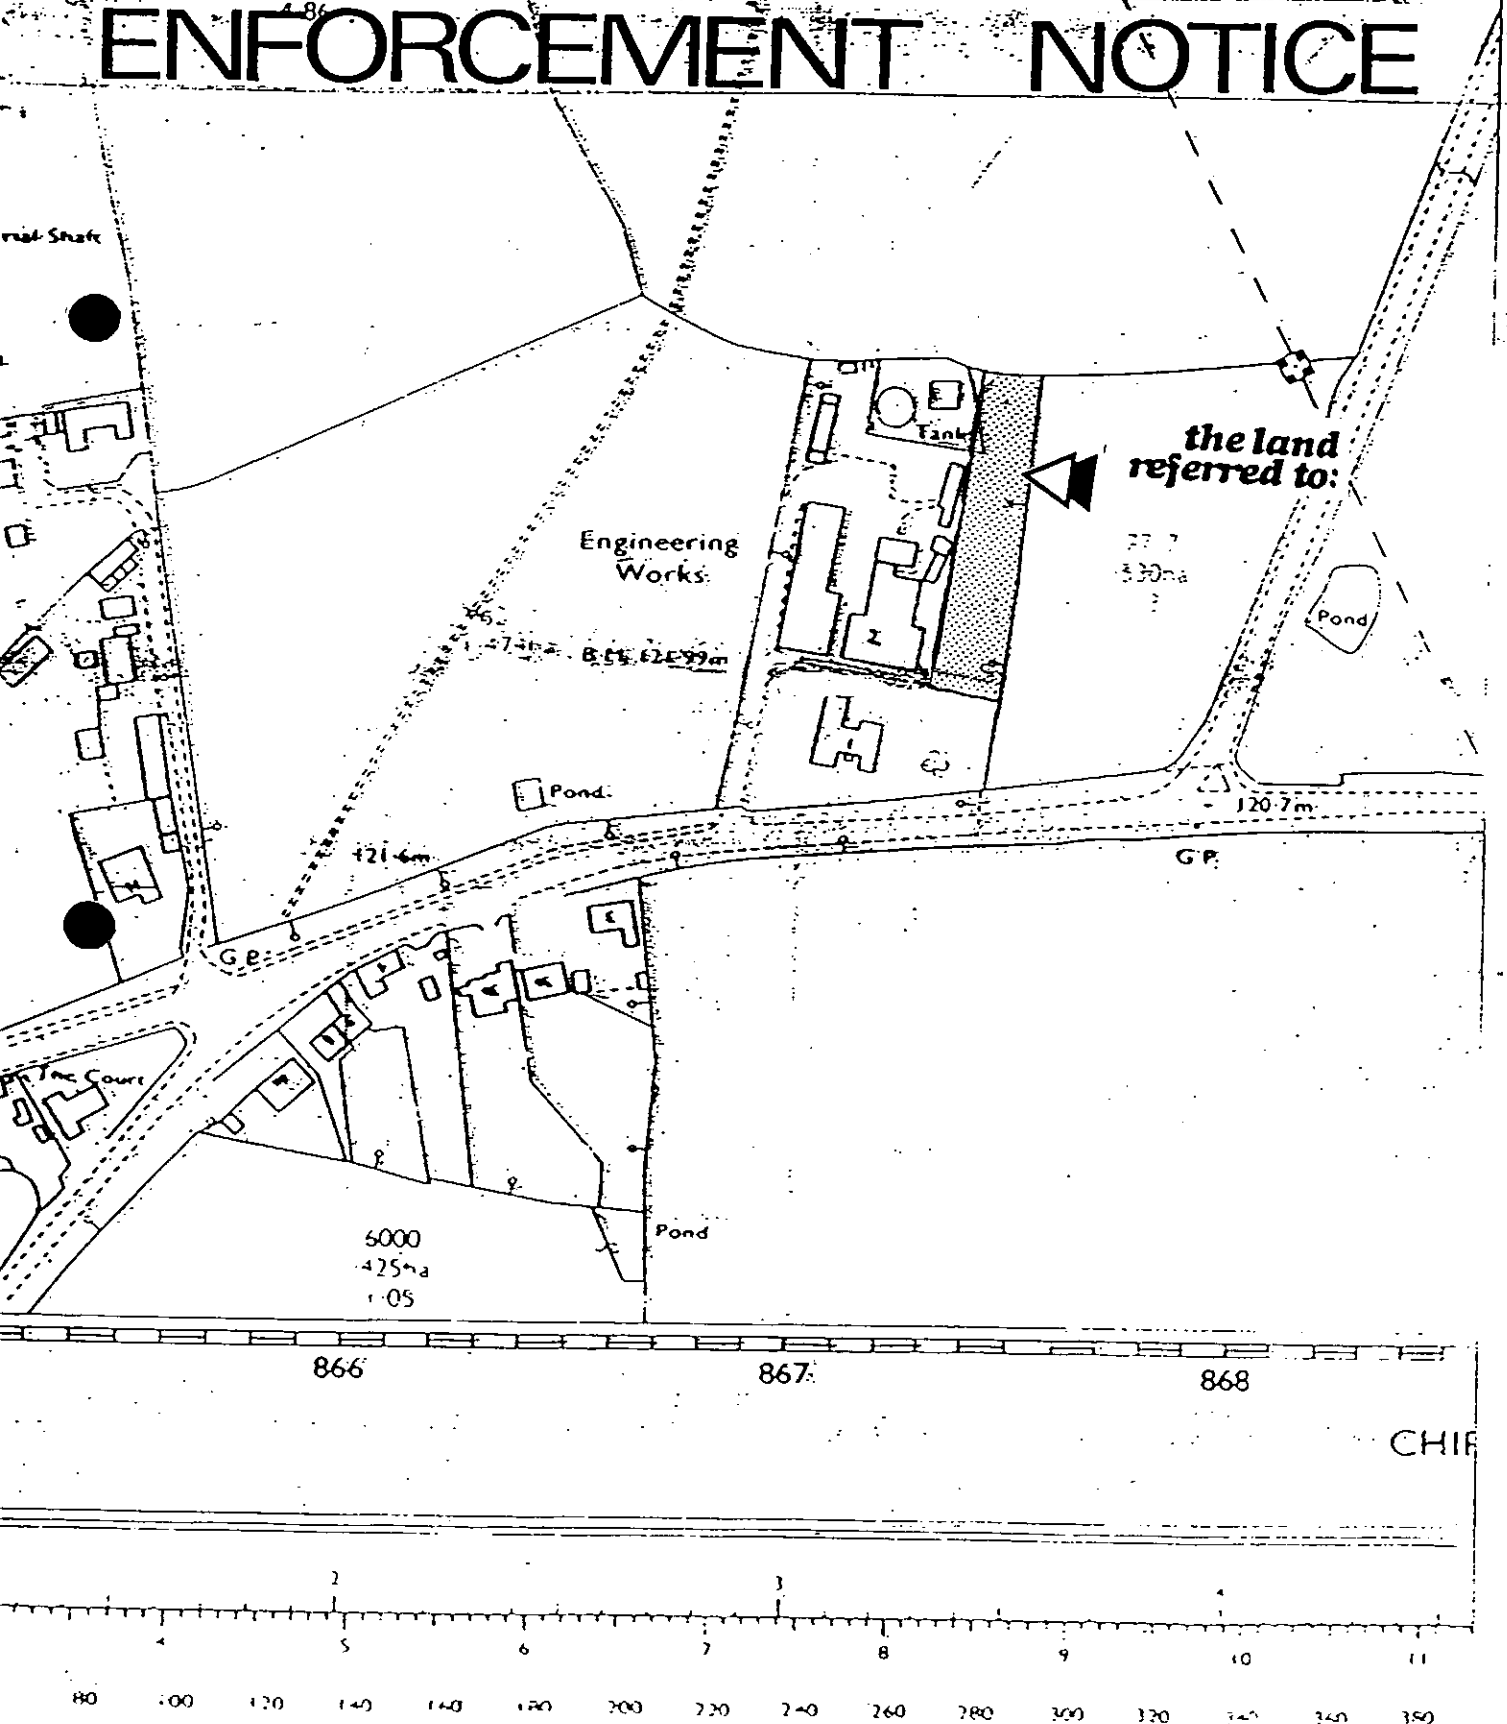

The development is contrary to the employment and rural planning strategy for the area which seeks to direct employment uses to allocated sites, existing employment areas or to sites within the "framework" of existing settlements and to protect the countryside for its own sake. The development is therefore contrary to Policy E12, E13, E14, E16, C3 and C9 of the Western Wiltshire Structure Plan incorporating Alteration Number One policies E5 and C1 of the Corsham Local Plan and Policies E12, E13, E4 and C7 of the Deposited North Wiltshire Local Plan 1990

The Council does not consider that planning permission would be granted because planning conditions could not overcome these problems

It appears to the Council that the above breach of planning control, namely the making of a material change of use of the land from its lawful use as domestic curtilage into a Sui generis use as alleged in Schedule 2(i) and (ii) above has occurred since the end of 1963.

STATEMENT OF REASONS WHY THE LOCAL PLANNING AUTHORITY CONSIDER IT EXPEDIENT TO ISSUE THIS NOTICE

It appears to the Council that the above breach of planning control, namely the making of a material change of use of the land from its lawful use for a purpose within Class B1 Business of the Town and Country Planning (Use Classes) Order 1987 to a Sui generis use as alleged in Schedule 2(i) and (ii) above has occurred since the end of 1963.
